OFFICIAL RULES AND REGULATIONS

The EPXBody Challenge is a self-improvement challenge combining a body transformation and financial transformation, the Challenge will be conducted in the United States and Canada.

Timelines and Deadlines

To officially enter the EPXBody Challenge, you must register online or by mailing in the entry forms and required information to become officially entered. Upon completing the 90 Day Challenge, participants must upload their completed Entry Kit online or mail it into the corporate office, which must be completed in English. If you are mailing it in, please send it to: EPXBody 90 Day Challenge, 360 S. Fort Lane #110, Layton, Utah 84041. All entries must be received by the beginning of each Challenge round to be eligible for that round. EPXBody is not responsible for internet connectivity, mail delays, misplaced or lost entries. Once you have completed the 90 Day Challenge, all Official Entry Kits must be uploaded online, postmarked, or couriered within 15 days of the completion date. Incomplete and illegible entries will be disqualified.

Participants may enter the 2012 Challenge more than once – there will be four 90 Day Challenges annually. However, each participant must complete a full consecutive 90 Day Challenge in order to be eligible to get paid on a per pound basis and before entering into another Challenge round. If submitting more than one Official Entry Kit, the dates of the 90 Day Challenge to which each Official Entry Kit relates must NOT overlap with each other.

The prizes will be paid out along with your next commission check after your Challenge is over. EPXBody gains full rights of these before and after photos and testimonials for any and all marketing purposes.

Who's Eligible to Enter the EPX BODY Challenge?

Challenge participants must be at least 18 years of age and residents of the United States or Canada, its territories and possessions, before starting their 90 Day Challenge. The Challenge is subject to applicable federal, state, and provincial laws and is void where prohibited.

Participants are required to use AT LEAST three (3) consecutive months of EPXBody products (including EPXBody Burn®, EPXBody Cardio®, EPXBody Detox®, & EPXBody Enhance® product lines) during their 90 Day Challenge to be eligible. Save your EPXBody receipts as these may be eligible for tax-advantages and tax deductions.

Regulations and Requirements

EPXBody reserves the right to interpret these rules and, if necessary, to amend the rules at its sole discretion and without notice to individual Challenge participants. Any amendments to the rules or changes in prizes will be published online at www.epxbody.com and/or emailed to all EPXBody members. Rule interpretations and all judging decisions are final. All information and materials submitted along with your Official Entry Kit become the sole and exclusive property of EPXBody and its subsidiaries.

Each Challenge participant assumes all risk of injury, harm, or loss of any kind arising from participation in the EPXBody Challenge. Consult with your physician or health care provider before starting any new exercise, nutrition, or supplementation program, particularly if you suffer from any medical condition or regularly use prescription or over-the-counter medications. If you are not experienced with strength training, or if you are changing your exercise program, consult with a qualified trainer or coach. Challenge participants expressly release EPXBody, its distributors and affiliated companies, and the directors, officers and employees of any of them from all risk, loss, injury, damage, or harm that may arise from participating in the EPXBody Challenge.

Challenge participants must notify EPXBody in writing of any change of address or phone number. EPXBody represents extraordinary examples of what can be accomplished through an integrated system of exercise, nutrition, supplementation, and goal-setting. As individuals differ, their results will differ, even when using the same program.

Submission of your completed Official Entry Kit in the Challenge constitutes your express consent and permission for EPXBody, and any of its affiliated companies, to use your name, photographs, and written responses (in whole or in part) for promotional and advertising purposes to promote EPXBody® products, its business, and EPXBody® worldwide, in any media and in any manner whatsoever, without limitation or restriction or further consideration of any kind, and such consent is deemed given by your entry and participation in the Challenge. Submission of your completed Official Entry Kit(s) shall be deemed your acceptance of these Rules and Regulations (as may be amended) and your voluntary transfer to EPXBody of all right, title, and interest, including copyright, of your photographs and written responses.
